Before You Go

To make your adventure a success, here are some tips and tricks that will help you make this adventure more enjoyable!

1- Go to Google Maps, then download the map of our region directly on your cell phone which will allow you to navigate our roads even without GPS signal. Otherwise, bring a paper map.

2-Download the Scotsman Trail Discovery Podcast to learn more about the history of the famous bandit Donald Morrison. Here is the link: <https://urlz.fr/geiA>

****It is important to download it as you will not always have internet access.**

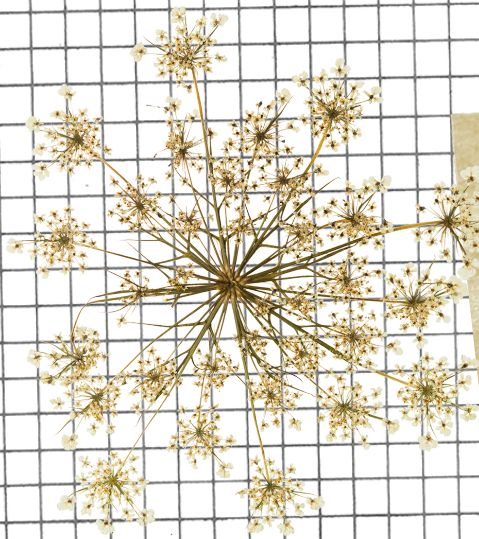

3-Fill up with gas before you leave as gas stations can be far apart.

4-Book your table at the Brasserie 11 Comtés: (873) 825-7075

5-Please call the various addresses on your route before departure to make sure there are no changes in the opening hours of our attractions.

****This tour must be done on a Saturday or Sunday of the summer season for all attractions to be open. ****
